

GOVERNMENT COLLEGE OF ENGINEERING, AMRAVATI

Department of Electronics and Telecommunication

Date: 06/04/2021

Minutes of the DFB(Departmental Faculty Board) Meeting (held on 06/04/2021)

The meeting of the DFB Electronics Engineering Department was held on 06/04/2021.

Following DFB members were present for the meeting:

1. Dr. D.V.Rojatkar	Chairman
2. S.J.Meshram	Member
3. A.M.Shah	Member
4. S.S.Thorat	Member
5. Mrs.S.S.Thorat(Gajbhiye)	Member
6. N.G.Pardeshi	Member
7. R.R.Harne	Member
8. Dr.S.S.Thakare	Member Secretary

All DFB members were also present for the meeting. The following points were discussed and decisions were taken:

i. To finalize the faculties for designing the course contents of Third year B.Tech. (V and VI semester)

The course curriculum of the courses of V and VI semester is to be prepared by Departmental Faculty Board (DFB) members as per the following. It is decided that all members will be ready with the respective course content on **12 th April in DFB meeting** for discussion.

Dr. D.V.Rojatkar: ETU525 Operational research and optimization,
ETU626 Human resource and economics

S.J.Meshram: ETU523 Electromagnetic waves and ETU526 lab, ETU625
Program Elective-II Microwave Engg.

P.L.Paikrao: ETU623 Program Elective-I Scientific Computing
ETU625 Program Elective-II

A.M.Shah: Micro-Electromechanical Systems
ETU623 Program Elective-I EDT with HDL,
ETU629 Electronic measurement lab

S.S.Thorat: ETU623 Program Elective-I Machine Learning,
ETU625 Program Elective-II Fuzzy Logic

शासकीय अभियांत्रिकी महाविद्यालय,
अमरावती.
दिनांक 08/4/2021

Mrs.S.S.Thorat(Gajbhiye): ETU524 Digital Signal Processing and
ETU529 lab
ETU625Program Elective-II Wavelets and other
Engineering Transforms
N.G.Pardeshi : ETU522Computer Architecture and ETU527lab
ETU624Open Elective I –Industrial Electronics
R.R.Harne: ETU523 Digital Communication and ETU528 lab
ETU624Open Elective I –Consumer Electronics
K.S.Tule: ETU622 Control System
Dr.S.S.Thakare: ETU622 Communication Networks and
ETU628 lab
ETU623Program Elective-I Information theory and coding
ETU627Minor Project

- ii. Some guidelines and suggestions related to the curriculum design were given by BoS Chairman
- iii. Course Objectives and outcomes should be at least four

Date: 19/04/2021

Minutes of the DFB(Departmental Faculty Board) Meeting (held on 17/04/2021)

The meeting of the DFB Electronics Engineering Department was held on 17/04/2021.

Following DFB members were present for the meeting:

1. Dr. D.V.Rojatkar	Chairman
2. S.J.Meshram	Member
3. P.L.Paikrao	Member
4. A.M.Shah	Member
5. S.S.Thorat	Member
6. Mrs.S.S.Thorat(Gajbhiye)	Member
7. N.G.Pardeshi	Member
8. R.R.Harne	Member
9. Dr.S.S.Thakare	Member Secretary

All DFB members were also present for the meeting. The following points were discussed and decisions were taken:

- i. The Courses designed by DFB Members are discussed
- ii. Some guidelines and suggestions related to the courses designed were given by BoS Chairman and Members.
- iii. It was decided to be prepare the camera ready courses in the next meeting held on 22 April 2021

Minutes of the BoS meeting

The First meeting of the BoS Electronics Engineering in this session (2020-21) was held on 06/05/2021, Thursday at 1.00pm on WebEx platform.

Following members were present for the meeting:

1. Dr.D.V.Rojatkar (BoS Chairman)
2. Prof. Dr. M.B.Kokare (BoS, Member)
3. Dr.P.R.Deshmukh (BoS, Member)
4. Dr.S.B.Dhok (BoS, Member)
5. Dr.K.D.Chinchkhede (BoS, Member)
6. A.M.Shah (BoS, Member)
7. S.S.Thorat (BoS, Member)
8. Mrs.S.S.Thorat (BoS, Member)
9. R.R.Harne (BoS, Member)
10. S.J.Meshram (Invitee Member)
11. N.G.Pardeshi (Invotee Member)
12. Dr. S.S.Thakare (Members Secretary, BoS)

The Subject Board meeting is conducted on Cisco Webex online platform. The BoS chairman welcome all BoS members and the Following points were discussed and accordingly decisions were taken:

- i. All members have gone through the course contents of all courses from new curricula of third year B.Tech. (E&TC).
- ii. Hon. BoS members suggested to add NPTEL videos information in the references.
- iii. Hon. BoS member Dr. M.B. Kokare has suggested to redesign the syllabus of ETU 625B 'Wavelet and other Engineering Transforms'
- iv. It was suggested to keep the length of curriculum small.
- v. The BoS members also suggested to procure some DSP boards and necessary platforms to perform more variety of experiments.
- vi. The course contents of all courses from new curricula of third year B.Tech.(E&TC) has been discussed, finalised and approved with some minor corrections suggested by members.

MINITUES OF MEETING HELD ON 23rd NOV.2021

The DFB meeting of Electronics Engineering department was arranged on Tuesday, 23rd Nov. 2021 at 3.00 pm in HOD cabin. The Agenda of the meeting was as follows:
1. Discussion and preparation of Curriculum for 7th and 8th sem B.Tech.programme

In the meeting Structure of 7th and 8th sem were discussed and courses were distributed among the subject experts for designing the course contents and all are informed to complete the task(draft copy of course content) on or before 30th Nov.2021.

The following members were present for the meeting.

MINITUES OF MEETING HELD ON 1st Dec.2021

The DFB meeting of Electronics Engineering department was conducted on Wednesday, 1st Dec. 2021 at 12.00 noon in HOD cabin.

The Agenda of the meeting was as follows:

1. Discussion and preparation of Curriculum for 7th and 8th sem B.Tech.programme

In the meeting Structure of 7th and 8th sem were discussed and distributed courses were designed by DFB Members and were discussed among the subject experts. Some modifications were suggested and all are informed to complete the task(draft copy of course content) and again discuss it on 7th Dec.2021.

The following members were present for the meeting.

MINITUES OF MEETING HELD ON 14th Dec.2021

The DFB meeting of Electronics Engineering department was conducted on Tuesday, 14th Dec. 2021 at 12.00 noon in HOD cabin.

The Agenda of the meeting was as follows:

1. Discussion on contents of some courses and preparation of course objectives, outcomes and CO-PO mapping table for 7th and 8th sem B.Tech.programme.

In the meeting, distributed courses designed by DFB Members were discussed and finalized. There was a wide discussion on Course objectives, Outcomes and CO-PO mapping table. All are informed to complete the task (Final copy of course content with Course objectives, Outcomes and CO-PO mapping table) and submit it on or before Friday for coming BoS meeting.

The following members were present for the meeting.

MINITUES OF MEETING HELD ON 22th Dec.2021

The BoS meeting of Electronics Engineering department was conducted on 22nd Dec. 2021 at 12.00 noon in HOD cabin.

The Agenda of the meeting was as follows:

1. Discussion on contents of some courses
2. Preparation of course objectives, outcomes and CO-PO mapping table for 7th and 8th sem B.Tech. programme.

In the meeting, distributed courses designed by DFB Members were discussed and approved. There was a wide discussion on Course objectives, Outcomes and CO-PO mapping table. The suggestions came from honourable BoS members in course outcomes. Those are incorporated in the meeting only and approval was taken.

Following members were present for the meeting:

1. Dr.P.R.Deshmukh (BoS Chairman)
2. Dr. M.B.Kokare
3. Dr.S.B.Dhok
4. Dr. S.N.Kale
5. Dr. D.V.Rojatkar
6. Prof.S.J.Meshram
7. Prof.A.M.Shah
8. Prof.R.R.Harne
9. Dr.S.S.Thakare (Members Secretary)
