International Conference on Applications of Engineering for Sustainable Development (ICAESD 2024)

Tracks:

Electronics System Design & Manufacturing
Communications Systems & Signal Processing
Internet Technology & Society
Big Data and Internet of Things
Machine Learning and Deep Learning
Network and Cyber Security
New Generation Biomedical Equipment
IoT Based Instrumentation Application
Nano Science and Nanotechnology
Geo-Hazards and Risk Assessment
Structural Health Monitoring
New & Renewable Energy Sources
Advances in Manufacturing
Power Electronics and Drives
AI/ML Applications in Electrical Engineering

ORGANIZED BY

Government College of Engineering, Amravati, M.S. INDIA 444604

Date : 20-21 Dec. 2024

Important Dates:

Full paper Submission: 31/08/2024
Acceptance / Rejection Notification: 15/10/2024
Registration: 01/11/2024
Final Paper/ Camera Ready Submission date: 15/11/2024
Conference Date: 20-21 December 2024
