## Department of Electronics and Telecommunication Engineering

### Report on Plantation Drive

It is rightly said that, **“Women and Plants are like full circle. Within them is the power to Create, Nurture and Transform”**. Agreeing with this thought, the department of Electronics and Telecommunication Engineering organized a **“Plantation Drive”** as a part of the International Women’s Day Week celebration. The Plantation drive was organized by the NSS girls team of the department, on **11<sup>th</sup> March, 2022** at **3.00pm** in the department. Considering the Summer season, flower saplings were planted in the empty planters available in the department.

The plantation drive was inaugurated by Hon. Principal, Dr. A. M. Mahalle, by planting a flower sapling in one of the planters. The Head of Electronics Department, Dr. P. R. Deshmukh, faculty members Dr. Shubhada S. Thakare, Prof. Shweta J. Meshram, Prof. Radhika R. Harne, departmental NSS faculty incharge Prof. Neha G. Pardeshi, Prof. A. M. Shah, staff members Mrs. Shital Patil were present for the activity and planted sapling. The NSS girl volunteers participated in the plantation drive and planted saplings in the planters. A group of 5 girls were given the responsibility to take care of these planted saplings. The girls actively participated in the plantation drive and are proactively taking care of these saplings.

The objective of this activity was to beautify the department by replanting the empty planters in the department, as “**the atmosphere laughs in the flowers around**”.

*Poster of the Plantation Drive*

A total of 46 students from Third year and Final year participated in the plantation drive. Some of the photographs are enclosed in this report.

***Hon. Principal planting a sapling***

***Resp. Head of the Department planting a sapling***

***Prof.A.M.Shah***

***Departmental NSS Faculty Incharge***

***Dr.ShubhadaThakare, Prof. Shweta Meshram, Prof. Radhika Harne, Prof. Neha Pardeshi***
